

8th Grade Band Lessons for weeks of:

May 4-7

May 11-14

May 18-21

For these 3 weeks, use your band time to complete the following:

1. Complete smartmusic assignments -- #81, #95, #98, #112, scale sheet

\*For the scale sheet: Look in your "Shared With Me" section in Smartmusic. You will be able to record your take but you will NOT be able to submit it like you do the other assignments. Instead, **save your "take"/recording and email it to me.** You can also email me your recording using screencastify or other means. You can also use your paper copy if that is easier. (If you do not have the scale sheet shared with you in smartmusic, use your paper copy).

Shared with me -- select a part -- open -- adjust the speed of the metronome located in the upper left hand corner with the plus and minus buttons -- practice and then record when you are ready -- save and email to [dboelte@kinnschools.org](mailto:dboelte@kinnschools.org).

For Patriotic Spectacular: You will need to use your paper copy. This is NOT in smartmusic. Practice measure **25-end** and then record when you are ready. Send your recording to me at [dboelte@kinnschools.org](mailto:dboelte@kinnschools.org).

2. **Each week**, fill out and submit your weekly practice times, using the google forms that I email you.
3. **Each week**, sign up for a lesson time if you want one. Use the google form that I shared with you. It is in your email. (I do not send it out each week, I just change the dates because you already have it in your email)

Be sure to let me know if you have any questions or issues that come up! Stay in touch! I am here for you!
