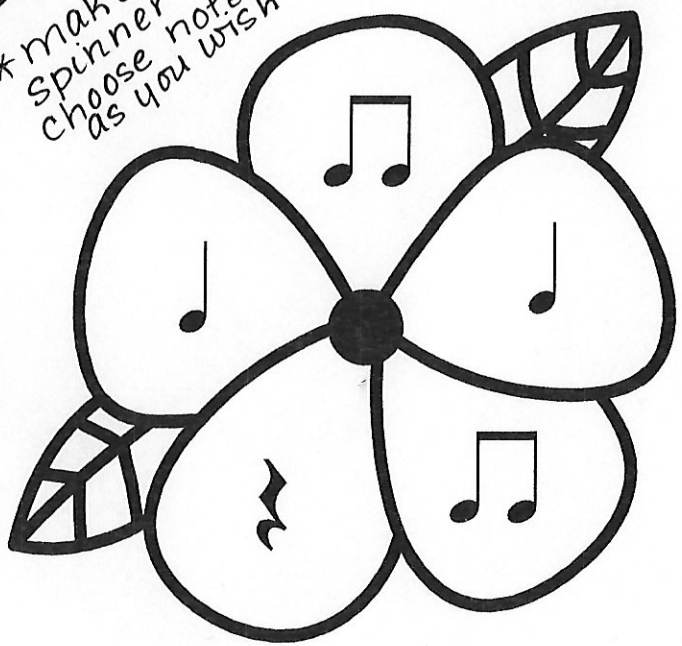
*make a spinner or... choose notes as you wish



# Spring Rhythms

Name _____ Class _____

Use the flower spinner to land on a note. Draw the notes you land on in the boxes below. Then, think of a spring word that has the same rhythm. If you land on a rest, just draw the rest and do not write a word. Three examples have been done for you. If you need help thinking of a word, use the word bank.

| | | |
|---|---|---|
| Spring | flower | |

## Word Bank

| | | |
|---|---|---|
| birds | garden | puddles |
| rainy | kitten | flowers |
| tulip | puppy | fruit |
| nest | grass | sun |
| bloom | warm | play |
| green | ants | river |
| blue | April | bee |
